

# AUTUMN LAKES CLUBHOUSE RENTAL

**The clubhouse can be rented by any owner in good standing. There is a \$200 per day rental fee due at the time of reserving the clubhouse, along with a \$100 refundable security deposit.** The Association will not allow an owner to reserve the clubhouse if they are not in good standing (in regard to current HOA fees, current homeowners form and prior use) and also reserves the right to cancel an event if the HOA fee is not paid on time within 30 days of the rental.

**Rental time is from 10 am to 10 am the following day (to allow time for cleanup).** No partial rental times are allowed. An earlier start time may be accommodated. The evening before may also be used for setup. Just inquire. If there are back-to-back rentals, no extra accommodation will be allowed.

**The owner must be present during the entire event.** The maximum occupancy of the clubhouse is **70 people**. The Clubhouse cannot be rented for paid events. The tables, stools and chairs in the clubhouse may be used, although the Association does not guarantee their number or condition. Renters may arrange to bring in other tables or chairs.

**The upper Clubhouse area, and the kitchen equipment is included in the rental.** Rental guests may use the bathrooms in the lower section, but recognize they are also going to be used by residents during the pool season.

**The clubhouse, including the balcony is a non-smoking/non-vaping facility.** Smokers can smoke outside disposing of butts in the sand containers provided.

Regular snow removal of the parking lot is done by an outside vendor. Steps and walkways are blown leaf free, or shoveled when there is a weekday event, or on the Friday before the weekend if an event is scheduled. A bucket of icemelt is kept by the upper and lower door as well.

2. **PARKING:** There is an upper lot parking sign for your guests located outside near the office entry door. It should be placed at the clubhouse drive entry several hours before the start of your event. No one should park in the circle or along yellow marked driveway curbs. During the pool season, guests should not park in the lower level. Make sure that your guests observe parking restrictions on the public streets of Autumn Lakes (police will ticket).
3. **NO SMOKING/VAPING IN THE CLUBHOUSE, EXTERIOR BALCONY OR POOL AREA:** Ensure that this is strictly enforced. Sand cans are located on the porches

13. **LOWER-LEVEL USE:** The lower portion of the clubhouse contains the restrooms and some lounge seating. Residents may be coming and going through this area during pool use, so it is not considered a part of the rental during the pool season.
